5. COMMITTEE REPORT: Director Valovich reported that the committee met the previous week and compared proposals and although EPIC had higher fuel cost per gallon, it was compensated for by the no fee of the fuel terminal and no charge for use of fuel truck. The committee recommends maintaining EPIC as the District's fuel supplier. Seymour also added that there had previously been a couple hiccups with EPIC in the past being unable to supply necessary fuel, the contract will be updated to allow the District to obtain it elsewhere in the event this occurs. All three companies have a lot to offer with very good reputations; however Seymour agrees that the best option currently offered is the proposal by EPIC Aviation.

6. MANAGERS REPORT: Seymour reported that the Big Hangar project has gone well and set to be complete by the end of this week pending inspection. There are 4 days of filming scheduled for December. There will be an MV22 as well as a C130 basing out of IYK for 2 weeks in January.

7. PUBLIC COMMENT: None

8. BOARD COMMENT: Director Paris wanted to wish everyone a Merry Christmas and Happy New Year. Director Valovich expressed appreciation to staff for painting the bridge as mentioned. He also brought up that he would like the Board to consider changing the meeting time to something that would work for all members during normal airport business operating hours.
